October 19, 2015

Dear Parents,

I am pleased to inform you of a new after-school math enrichment program. This program is designed to stretch the mathematical muscles. The 10 week program will be taught by Mr. Gregory Frankel who has received degrees in a wide range of areas in applied mathematics.

The cost for the program is \$ 50.00 – please make all checks payable to Mr. Gregory Frankel. In order for the program to begin we need a minimum of four students. We would like to begin the program on Wednesday October 28th - 3:45 to 4:30. Enclosed you will find some problems that will whet any mathematical palate.

Please complete the form below to register.

Sincerely,

I would like to register my son _____, for the after school math enrichment program. Enclosed is \$ 50.00.

Signed _____
